

# Aeon AcousticPro UHD Series

Acoustic transparent Fixed Frame Projection Screen

Compatible with Short and Standard Throw Projectors

## Product Description

The **Aeon AcousticPro UHD** is an acoustically transparent (AT) Ultra-Hi Def fixed frame projection screen. The AcousticPro UHD acoustically transparent material is designed to complement in-wall speakers while allowing sound to pass through the material with minimal attenuation. Its tight perforated weave design allows a superior AT performance without sacrificing picture quality.
